PHILIPS

Saeco

sense and simplicity

Highlights

Adjustable Grinders

Adjustable Grinders

Auto coffee circuit cleaning

This feature makes sure that each and every coffee is as fresh as possible: Before going into and when returning from stand-by mode, the machine automatically cleans its coffee circuit.

Ergonomic day-by-day

Saeco is a synonym for convenience: refilling beans or water, emptying the coffee-dump box

or the drip tray, all compartments of the full automatic coffee machine are directly accessible.

Bean-to-cup espresso

Your favorite beans are always freshly ground so their entire aroma is captured in every cup. This way Philips-Saeco bean Saeco bean-to-cup espresso machines deliver excellent and fresh coffee enjoyment day after day.

Classic milk frother

Unleash your inner barista, preparing your delicious milk specialties the traditional way guaranteeing a gorgeous foam.

One click removable group

The brewing group – a Saeco invention- is the heart of our machines, ensuring that the machine makes everything on its own. Thanks to its easy access, you can effortlessly remove it for regular cleaning with just one click.

Small and energy efficient

Small size and frontal access to all functionalities make sure that the Philips Saeco Xsmall automatic espresso machine fits in every kitchen. And thanks to its efficiency (Class A according to Swiss regulation) and auto shutdown it's very kind to the environment.
