PHILIPS

Saeco

sense and simplicity

Highlights

Adjustable coffee strength

Adjustable coffee strength and temperature

Automatic milk frother

With just one touch you will instantly get a delicious and dense foam always at the ideal temperature, thanks to our new patented automated milk frother with exclusive Cyclonic chamber, ensuring a constant flow without any splashing.

Autocleaning and de-scaling

Easy to use includes easy maintenance: Thanks to the automatic cleaning and de-scaling cycles, you are guaranteed perfect enjoyment every

day and maximum longevity for your automatic espresso machine.

Ceramic grinders

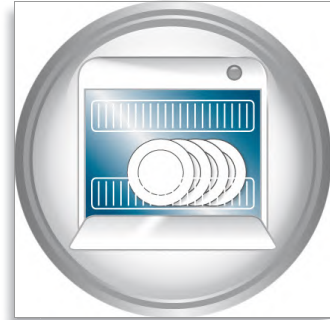

The high-tech grinders of this coffee machine beat the competition's steel grinders on many levels: always perfectly Italian taste because of consistently accurate grinding without overheating, supreme longevity, super-silent operation.

Customization and maintenance

Easy to use, easy to customize and easy to maintain. Let the espresso machine drives your Espresso experience and enjoy direct and clear interaction with it. The customization and maintenance menu allows you to set coffee temperature, descaling cycle guided process, water hardness, water filter installation, Stand-by time and display contrast. Thanks to the automatic and guided descaling cycles, perfect enjoyment every day and maximum longevity for your espresso machine are guaranteed.

Dishwasher safe Cappuccinatore

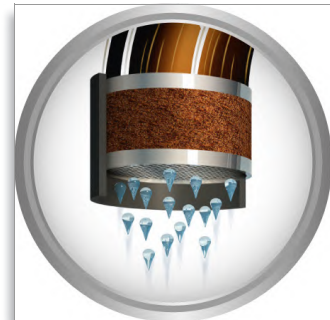

Keep the Philips Saeco espresso machine at its best, by cleaning the automatic Cappuccinatore simply washing it with lukewarm water or directly into the dishwasher machine.

Espresso and long coffee

Whether you want to enjoy a an espresso or a long coffee - your favorites are accessible with a touch of a button

Pre-brewing system

Pre-brewing for even more enjoyment. Thanks to the Pre-brewing Technology, the coffee grounds are moistened before the actual brewing process – ensuring that the aroma can unfold even better.
