PHILIPS

Saeco

sense and simplicity

Highlights

Adjustable coffee strength

Adjustable coffee strength and temperature

Autocleaning and de-scaling

Easy to use includes easy maintenance: Thanks to the automatic cleaning and de-scaling cycles, you are guaranteed perfect enjoyment every day and maximum longevity for your automatic espresso machine.

Ceramic grinders

The high-tech grinders of this coffee machine beat the competition's steel grinders on many levels: always perfectly Italian taste because of consistently accurate grinding without overheating, supreme longevity, super-silent operation.

Customization and maintenance

Easy to use, easy to customize and easy to maintain. Let the espresso machine drives your Espresso experience and enjoy direct and clear interaction with it. The customization and maintenance menu allows you to set coffee temperature, descaling cycle guided process, water hardness, water filter installation, Stand-by time and display contrast. Thanks to the automatic and guided descaling cycles, perfect enjoyment every day and maximum longevity for your espresso machine are guaranteed.

Dishwasher safe Milk Carafe

Dishwasher safe Milk Carafe

One touch cappuccino

With the integrated automatic milk frother you can enjoy your favourite Cappuccino just with the touch of a button.

Pre-brewing system

Pre-brewing for even more enjoyment. Thanks to the Pre-brewing Technology, the coffee grounds are moistened before the actual brewing process – ensuring that the aroma can unfold even better.

Color coded user interface

Enjoy direct and clear interaction thanks to the self-explanatory icons display. For maximum convenience the icons are colored according to the traffic light colors: Red requires action, Yellow means the coffee machine is "busy" (like heating up). Green is ready to use.
