- Two-minute timer helps ensure recommended brushing time

PHILIPS
sonicare

sense and simplicity

Highlights

Patented sonic technology

Sonicare's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.

Naturally whiter teeth

Dynamic Cleaning Action and direct broader contact with each tooth have been proven to remove everyday stains and help keep teeth naturally whiter.

Improves gum health

This Philips Sonicare electric toothbrush provides optimal cleaning between teeth and along the gumline for improved gum health in just two weeks, giving a superior clean in between teeth and removing significantly more plaque than a manual toothbrush

Easy-start programme

Gently increases power over first 14 uses to ease you into the Philips Sonicare electric toothbrush experience

Five different cleaning modes

The five modes include a clean mode for an outstanding clean in two minutes. A sensitive mode for gentle yet thorough cleaning of the gums. A refresh mode for those quick one minute touch-ups. A massage mode to stimulate the gum and a gum care mode that helps improve gum health.

Gentle teeth and gum cleaning

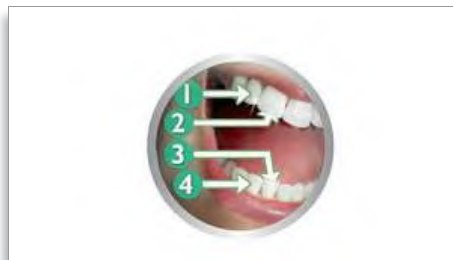

Sensitive Mode: Gentle, yet thorough cleaning for sensitive gums

Smartimer

Two-minute timer helps ensure Dental Professional recommended brushing time

Quadpacer

30 seconds interval timer indicates when you have completed each quadrant of your mouth and signals for you to move on, resulting in more consistent cleaning throughout your mouth
