sense and simplicity

## Highlights

### Removes up to 5X more plaque

Sonicare's best plaque removal: Removes up to 100% more plaque from hard-to-reach places than a manual toothbrush

### Improves gum health

This Philips Sonicare electric toothbrush provides optimal cleaning between teeth and along the gumline for improved gum health in just two weeks, giving a superior clean in between teeth and removing significantly more plaque than a manual toothbrush

### Whitens teeth twice as well

Whitens teeth twice as well as a manual toothbrush in just one week.

### Patented sonic technology

Sonicare's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.

### DiamondClean brush head

DiamondClean brush heads, Sonicare's best brush head, have diamond-shaped, medium stiffness bristles to effectively yet gently scrape away plaque. Provides exceptional cleaning and whiter teeth compared with a manual toothbrush.
