- for a close shave following your body's contours
- 5 length settings for different body hair lengths

PHILIPS

sense and simplicity

Highlights

3D pivoting head

3-Dimensional pivoting head adjusts to every curve of your body for a close and comfortable shave.

Battery light

Fully charged battery is indicated by a solid green light, with at least 10 minutes left of usage the light blinks orange.

Ergonomic grip

Striped rubber grips on each side ensure optimal grip, even when wet, for better control when grooming your body.

Quick charge

The battery delivers more than 50 minutes of powerful cordless after a 1 hour charge. A 10 min quick charge gives you 10 minutes of grooming time, so it is always ready when you are.

Trimmer

Select and lock your desired length setting for convenient and skin friendly trimming of all body zones.

Wet and dry

100% waterproof Philips bodygroom makes it convenient to trim and shave your body in the shower and is easy to clean.
